Welcome!

25453 Eagle Nest Drive
Idyllwild, CA 92549

Hello,

My name is Christine Popoff and I want to welcome you to Treetop Hideaway - my very special Idyllwild home. I am so glad you have decided to book my home for your Idyllwild vacation and I want to make sure you have a 5-star stay.

Within this guidebook you will find useful information including Wifi and TV login information, Instructions on using the heaters and AC, appliance manuals, as well as useful information for dining out and fun things to do. You may also visit the Treetop Hideaway vacation rental website for more information regarding the town and events.

If you have any questions or if you need anything during your stay, please feel free to contact me by text, phone, or email. My cell phone number and email are listed below. You can call or text me and I will respond as soon as possible. I usually respond to text messages right away so text is best.

I have provided basic amenities including fresh towels, bathroom supplies, and your first morning's coffee, tea, and/or hot chocolate. If you need to do any laundry you have full access to the washer and dryer. The laundry detergent is located on the top shelf in the master bedroom closet.

If you have any questions do not hesitate to contact me, using below contact details.

Quick Guide

How to use the upstairs air conditioner

Step 1

Turn on Unit

Press the yellow button
This turns the unit on and off

Step 2

Set for cold air

Press the mode button until
you see the cold air symbol
shown here (snowflake)

Step 3

Adjust the temp.

Use the up and down arrows
to adjust the temperature.
69F is a very comfortable
temperature for this house.

Please turn off air conditioner when not in use

(The air conditioner only cools the upstairs and it cools rather quickly. Please turn off the air conditioner when you leave the home as well as when you are downstairs sleeping. This will help conserve energy)

Master Bedroom

Important Information To Get Good Sleep

The master bedroom windows face the direction that the sun rises

Each window has a pull down shade

If you are not an early riser, I highly recommend pulling down the shades before bed or else the sun rise could wake you up
